Objective

Seeking a ReactJs UI/Frontend Development internship to apply and enhance my skills in creating user-friendly interfaces. I am eager to gain hands-on experience in building responsive web applications while working collaboratively with a talented team. With a strong passion for design and problem solving, my objective is to contribute creatively and learn from industry professionals to develop engaging user experiences.

Education

Swayam	**2020 - 2023**
● Ethical Hacking , Cyber security & Software development **(Currently during)**	(expected)

● DMOP Branch | CGPA: **8.9**	
P.A.C.Matriculation Higher Secondary School	**2019 - 2021**
● *STATE BOARD (Class X), CGPR 7.0*	

Skills

Languages: Java , Python , C , C++ , C#

Technical Skills: COA , Typewriting skill , AWS , PHP

Others: Django , Codeignator , Laravel , React Native , Node js

Work Experience

Freelancer | Front end Developer	**May'20 - Jun-22'**
● Working as Front end Developer at Hcl tech Solution pvt ltd.	
Green Powers | Accountant assistant	**May'23**
● Currently Working as Accountant assistant in Green powers	

Projects

Music Player App	**Feb'2022**

● This is an music player app for an entertainment using node js. Link

Consumer Relationship Management System	**Feb'2023**

● This evolved Java project needs refined mastery in Java database connectivity, MySQL, HTTP, and JSpring framework. You ought to learn Spring core/MVC, ORM framework, and Hibernate to accomplish this project. You will develop a management system for the web platform that will let community managers revise and access consumer data for more satisfactory consumer relations. This project utilizes the Spring framework and offers the source sets for Java programming.   Link

Custom Video Player	**Jun'2023**

● **In this project I customized the video controls and designed them manually. Focus on handling the video node and how to implement custom behavior for it. Link**

Certifications and Extracurricular Achievements

- Java Introduction **Certificate**
- Cybrary-cert-mitre-attack-defender-mad-attack-fundamentals. At Cybrary Certificate
- Codeignator course completed at GUVI Certificate
- Laravel Course completed at GUVI Certificate
- Games in Javascript Language studied at GUVI Certificate
- Python course completed at GUVI Certificate
- Coding ninjas in Interview Preparation \| Aptitude Rounds Certificate

- Career Camp | Back End | Full Stack Web Development in Node.js Completed at Coding ninjas [Certificate](#)

- Interview Preparation | Aptitude Rounds at Coding ninjas [Certificate](#)

- Google digital marketing [Certificate](#)

- IBM skill build [Certificate](#)

- Great learning for Ui / Ux [Certificate](#)

- Great learning Cyber security and leadership [Certificate](#)

- Cybersecurity Courses completed at Cybrary [Certificate](#)

- Cybersecurity Courses completed at Cybrary [Certificate](#)

Languages

- **Tamil**
- **English**
- **Hindi**
